**Designed with security in mind, construction of this facility is of wood frame with concrete floors. The area is surrounded by a chain link fence and is lighted at night. Employees live on site providing additional security.**

**Size and cost of these units vary, and we offer several leasing options. You can rent on a month to month basis with no long term lease, or you can rent for a 6 month term with discounted rates.**

**Your belongings are locked in a room that only you have access to. You provide the padlock, you lock it, and you keep the key. For your convenience, locks are available at the office.**
