19. **ACCESS TO THE PREMISES:** Except as provided by local ordinance, after a good faith effort to give notice, the Lessor, its agents or employees shall have access at all reasonable hours to the leased premises for the purpose of examining or exhibiting the premises to prospective buyers or prospective residents, or for making alterations or repairs on the premises which the Lessor deems necessary. Lessor shall have access at all reasonable hours to perform Lessee requested repairs, unless indicated to the contrary by Lessee. In the event of an emergency, Lessor, its agents or employees shall have immediate access without notice.
20. **DESTRUCTION OF THE LEASED PREMISES:** If the premises are injured or destroyed in whole or in part by fire or other catastrophe during the term of this Lease, Lessor shall as soon as practicable effect repairs on the premises, so that they are substantially the same as they were prior to such fire or other catastrophe. In such event, the rent shall abate entirely, if the entire premises are rendered untenable and shall abate on a pro-rata basis in the event only a portion of the premises are rendered untenable, until such time as the premises are restored to a tenantable condition, provided that in the event the premises shall be destroyed to an extent that Lessor determines in his sole discretion that repairs will take an extended length of time or that it is inadvisable to restore the premises, then the Lessor may at its option terminate this lease by written notice to Lessee. There shall be no abatement of rent if the fire or other cause damaging the leased premises shall result from the negligence or willful act of Lessee or its family, employees, guests, invitees, or anyone on the premises by reason of association with Lessee, their family, employees, guests or invitees.
21. **QUIET ENJOYMENT:** Lessee shall be entitled to the quiet enjoyment of the premises during the term of the Lease, so long as Lessee complies with the provisions of this Lease.

23. **TERMINATION AND RE-ENTRY:** Default in any of the covenants of this lease by the Lessee shall entitle Lessor to terminate the tenancy and re-take possession of the premises as provided by law. Lessee further acknowledges that Lessor will incur certain expenses and damages in connection with retaking possession and re-leasing the premises in the event of Lessee's default. In such event, Lessee shall be responsible for all lost rent until and after the premises are re-leased and shall further be responsible for liquidated damages for re-leasing, showing, advertising, and preparing the premises for rental, which amount shall equal one-half month's rent.
24. **ABANDONMENT:** If, at any time during the term of this Lease, Lessor believes in good faith that Lessee has abandoned the premises and the current rent is unpaid, Lessor may retake possession of the premises. In the event of abandonment by Lessee and in the event Lessee has left any personal property on the premises, Lessor may dispose of said personal property in any way Lessor chooses. No oral agreement may alter this provision. Any cost incurred by Lessor in removing the personal property described herein shall be reimbursed to the Lessor by Lessee.
25. **CONDITION OF PREMISES AT MOVE-IN:** In accordance with applicable law, Lessor warrants that all habitable areas of the premises are clean, sanitary and fit for residential use and that basements and attics exclusive to the leased unit, where present, have been cleared of debris and ex-lessees' belongings at the time of occupancy. Additional cleaning of uninhabitable basements and attics shall be at the option and expense of the Lessee. The premises are conclusively presumed to be in good condition at move-in unless the Lessee documents evidence to the contrary on the "Commencement Inventory Checklist" provided in the Move-in Packet, a copy of which shall be completed and returned to the Lessor within the first seven (7) days after possession. The Commencement Inventory Checklist is not a request for maintenance. Within the first seven (7) days after possession Lessees shall submit non-emergency maintenance requests on the "Maintenance Request Form" provided in the move-in packet. In the case of a renewal or partial renewal lessor does not perform any changeover services other than bedroom furniture adjustment, if provided, that result from the addition or subtraction of new Lessees.

26. **MAINTENANCE AND REPAIRS:** The Lessee agrees to keep, use and maintain the premises rented in accordance with applicable police, sanitary and other regulations imposed by governmental authorities. Lessee also agrees to maintain the premises in a neat and orderly manner. Lessee agrees to observe all reasonable regulations and requirements of underwriters concerning use and condition of the premises tending to reduce fire hazards and insurance rates. Lessee shall pay for such repair of any damage to the premises caused by Lessee, his/her family, employees, guests, invitees or anyone on the premises by reason of association with the Lessee, his/her family, employees, guests or invitees. Lessor may require Lessee to pay for such repairs before they are made, provided there are no judicial or mediation proceedings pending. Lessor agrees to make all necessary exterior and structural repairs to the premises and to the electric, gas, plumbing and heating systems, if any, which may from time to time become necessary. Lessee agrees not to hold Lessor responsible for failure to repair until Lessee has notified Lessor of the need for repair in writing and a reasonable amount of time has passed after such notice.
27. **ALTERATIONS:** Lessee shall make no alterations, additions or improvements in or to the premises without Lessor's prior written consent, and then only by licensed contractors in accordance with workmanship and quality standards agreed to in writing in advance by Lessor. 29. **ENTIRE AGREEMENT:** It is agreed that this Lease and any and all addenda executed between the parties constitute the entire agreement between Lessor and Lessee and may not be altered, amended or changed in any manner unless in writing signed by both of the parties. Lessee further acknowledges and agrees that no verbal promises, representations or agreements have been made other than are contained in this Lease and the related documents described and that the information supplied in their applications was and continues to be accurate.
30. **DEFAULT:** Upon the happening of any of the following events, Tenant shall be in default of his/her obligations under this Agreement and Landlord may send a Notice to Terminate Tenancy or a Notice to Quit pursuant to the statutes of the State of Michigan. In the event Tenant does not comply with such Notice, the Landlord may, by summary proceedings or by suitable action or proceedings at law or in equity, or by any other legal proceedings, repossess the premises. This Washtenaw County Regulation was approved by the Washtenaw County Board of Commissioners to "Protect the public from the harmful effects of secondhand smoke exposure by substantially prohibiting smoking in public and private worksites and public places." LESSOR may terminate the Lease Agreement if chronic violations of the Washtenaw County Clean Indoor Air Regulation occur by LESSEE, members of LESSEE'S household or other persons under LESSEE'S control. Chronic violations are defined as three or more of either Washtenaw County Clean Indoor Air Regulation violations and/or written notices by LESSOR. 56. **CITY OF ANN ARBOR "COUCH BAN" ORDINANCE:** Lessee will not place or permit to remain upholstered furniture which is not intended or designed for outdoor use on exterior porches, balconies, porches, decks, landings or other areas exposed to weather. Lessee acknowledges that the City of Ann Arbor Housing Code prohibits such activity and that the City may remove offending furniture at Lessee's expense. Lessee agrees to reimburse Landlord for all costs associated with Lessee's violation of this paragraph and agrees that any such costs may be charged as additional rent.
57. **SCREENS:** Lessees agree they will not remove screens from window or throw anything out of windows at any time.
58. **LIGHT BULBS AND SMOKE DETECTOR BATTERIES:** Prior to commencement the Lessor will outfit all light fixtures with working light bulbs and smoke detectors with working batteries. The Lessee(s) shall maintain all fixtures with working "like kind" light bulbs and smoke detectors with working batteries at all times during the term of the lease and any subsequent renewal leases so that at the time of the lease termination inspection all fixtures have working "like kind" light bulbs and all smoke detectors will have working batteries.
