SELF-GUIDED TOURS

To get started, please provide a valid and current photo ID to a member of our concierge team.

The self-guided tour should take about 20 minutes. Please reach out if you have questions!

WELCOME CENTER

Health screening and masks are required.

*Stop by the Welcome Center
and follow the directions
on the posted sign.*

—

*Proceed to building 1485,
directly across from the
Welcome Center.*

*All buildings are controlled
access. Guests will buzz your
apartment. You may speak to
them and grant them access
from the comfort of your home.*

*There are only twelve
apartment homes to a building,
each situated as an end unit.*

KENSINGTON MODEL

Continue to the second level to view apartment home #5.

This home is 990 square feet and features huge living rooms, formal dining areas, balcony, smart thermostat, vertical blinds, modern interior doors equipped with oil-rubbed bronze hardware, frost-free refrigerator, self-cleaning oven, double stainless-steel sinks, garbage disposal, and a dishwasher.

Heat and water are included for extra savings. Painting in a color is done prior to move in—we offer four accent walls or one entire room for free. The kitchen and bathroom must remain white.

MORE INFORMATION

*Come on back to the
Welcome Center to return
keys, pick up your ID, and
receive more information!*
