Company Information and Services

Management Experience

Terri Zdanowitz, Broker/Owner, of All-Pro Realty and Property Management has over 25 combined years of business management experience in manufacturing and property management. Utilizing her accounting and business degrees coupled with her extensive experience here in Jackson, she provides an understanding of the issues and costs related to property management like no other.

We provide our clients with professional services and care when handling their residential or commercial properties.

All-Pro Realty & Property Management has been family owned and operated since 1996. All-Pro has grown from managing a dozen properties in the mid 1990's to a current customer base of over 500. We are proud to have become the leader in residential and commercial property management here in Jackson County.
